

Knowles Studios – Fees & Payments

Monthly Fees

Our fees are spread equally across the dance year to keep monthly payments simple and affordable, rather than asking families to pay large invoices at the beginning of each term.

- 1 x 30-minute class: £17 per month
- 1 x 45-minute class: £22 per month
- 1 x 60-minute class: £26 per month

How Our Payments Work

Rather than asking for full term fees upfront, we spread the cost of classes across the dance year into equal monthly payments. This helps make payments more manageable for families by avoiding larger termly invoices.

Our monthly fees are not based on the number of classes in a particular month.

Instead, we calculate the total cost of the lessons across the 39 teaching weeks of the dance year (excluding school holidays) and divide this into equal monthly payments.

- Your monthly payment remains the same each month.
- Some months may have more classes than others, but your payment does not change.
- No monthly payment is taken in August.
- Your monthly payment contributes towards classes across the entire dance year.

If We Have to Cancel a Class

If Knowles Studios has to cancel a class, we will always make every effort to arrange a replacement class during the school holidays or at another suitable time. Families will be informed of any make-up classes as soon as arrangements have been made.

Attendance & Refunds

As our monthly fees contribute towards classes across the entire dance year, refunds cannot be given if your child is unable to attend a lesson for any reason.

Notice Period

Should you wish to withdraw from classes, we require one month's written notice by email. Monthly payments will continue during the notice period, and your child is welcome to attend all classes during this time.

Thank you for choosing Knowles Studios. We look forward to welcoming your family to our dance community.
